Abbas scored 189 with 19 fours and 12 sixes, 148 runs in boundaries only. He had scored 145 and 97 in two previous matches.

In year 2014, Abbas took his first major steps in his cricketing career when he was named in the Uttar Pradesh One Day squad for the forthcoming Vijay Hazare trophy. The left-handed batsman was a part of the Hyderabad under-22 squad in 2010 but was unable to break into the senior squad. The U.P. squad was led by leg-spinner Piyush Chawla and also included former India pacer Praveen Kumar. But the team politics saw Abbas sitting in the bench.

As former Indian Captain Azhar is given clean chit by the BCCI legal team, Hyderabad Cricket Association's resistance to Azhar is diluting. Earlier in January, Azhar was not allowed to contest in Hyderabad Cricket Association's election. The returning officer has rejected his candidature citing that BCCI has not cleared Azhar's ban. Now reports are immersing that BCCI had written email informing Hyderabad Cricket Association that Azhar's name is cleared by the legal team and he can contest the elections. But Hyderabad's returning officer denied that he received any email from BCCI. Obviously they cheated on Azhar. BCCI has sent a strong message to Hyderabad Cricket Association to behave with Former Indian Captain. In the fast changing scenario in favour of Azharuddin, it is expected that his son Abbas might not have to suffer because of the vendettas of certain section of Hyderabad Cricket Association against his father. Abbas is a brilliant cricketer

and he deserves to be given a fair chance to prove his talent.

A Law Graduate from Hyderabad University, Abbas being Azhar's son he's already a page3 personality in Hyderabad social circle.. he also assist his father's movie Azhar.
