

Ranbir Drops Kat From Promotions of Jagga Jasoos!

Mumbai, Looks like Ranbir Kapoor has dropped Katrina Kaif from promotional activities of his upcoming movie, "Jagga Jasoos". In a recent promotional event Ranbir was all alone. Kat was missing. The event was a 2 hour session with the children of different walks of life. It took every one by surprise. Till end of the event, every one was hopping that Kat may suddenly appear, may come out from hiding. But nothing of the sort happened. Some one asked from the crowd, where is Katrina??? Ranbir was quick to reply saying, she is not well. He went on to ask audience to keep a 5 second silence so that Katrina gets well soon.

Kat and Ranbir were not very comfortable with each other during promotion activities. Though they kept trying to wear "I'm Sober" face expression but their impatience and intolerance for each other lead to some verbal altercation or other.

Katrina, who is popularly known as Kat, is playing main lead against Ranbir in the film. Film is directed by Anurag Basu. Kat and Ranbir are ex-lovers and it's said that their breakup happened during the shoot of Jagga Jasoos and their strained relationship was a major cause of the delay of the film.

When someone asked from the crowd, where is Katrina??? Ranbir was quick to reply saying, she is not well. He went on to ask the audience to keep a 5-second silence so that Katrina gets well soon.

During the promotion of the film, it was evident that Kat and Ranbir were not very comfortable with each other. They kept trying to wear "I'm Sober" face expressions but their impatience and intolerance for each other led to some verbal altercations or other. Prior to this event, in all the events whenever Kat would try to speak, Ranbir would but-in uninvited and start replying on her behalf. At a few occasions, Kat got very upset and tried to stop Ranbir but in vain.

Jagga Jasoos is releasing on 14th July. The promos look very promising. Songs are rising on the chart. Anurag is ready to repeat his success of BurfEE. In such a situation, Ranbir and Kat should be very careful and should not wash their ugly utensils in public. They both need one good film to rise back. And maybe, Jagga Jasoos is the one for both.
